Company Profile

Balkrishna Industries Limited ('BKT') is one of the world's leading manufacturers of "OFF-HIGHWAY tires". BKT has the widest product range with more than 3200 SKU's (Stock Keeping Units) and is "One Stop Shop" for all off-highway tyre solutions.

BKT has made its mark in the specialty segments like Agricultural, Construction, Industrial, Earthmover, Port, ATV (All-Terrain Vehicle) and Turf care applications in both cross ply & radial construction.

The Corporate Social Responsibility ('CSR') of the Company is undertaken by its CSR division, **BKT Foundation**.

Company's CSR vision

BKT considers their responsibility to work and contribute towards social cause. In the past, earnest efforts have been taken in this direction by the BKT group in providing school education for the under privileged and needy; and funding various hospitals for free medical services to the poor and needy.

The CSR vision of the Company is "**Promotion of Education, Health and Rural Development**".

The Company commits itself to creating a more equitable and inclusive society by supporting processes that lead to sustainable transformation and rural development by promoting quality education and healthcare for all vulnerable sections of society.

BKT has developed CSR policy (which will be made available on the website of the Company) in order to achieve its CSR vision which is in consonance with the requirements of the Companies Act, 2013.

1) CSR Initiative of the Company for Promotion of Education

Need for Education in the current scenario

Children and youth are the future of the nation. For an emerging and developing country like India, development of underprivileged children and youth hold the key to the progress of the nation itself.

Further, Education plays an important role in development of an individual's career. It is both the means as well as the end to a better life: the means because it empowers an individual to earn his/her livelihood and the end because it increases one's awareness on a range of issues – from healthcare to appropriate social behaviour to understanding one's rights – and in the process help him/her evolve as a better citizen.

Education is the most effective tool which helps children and youth to build a strong foundation; enabling them to free themselves from the vicious cycle of ignorance, poverty and diseases.

Considering the above, the Company had decided to focus on health and education to underprivileged students.

What BKT proposes to do for Education?

Education has been one of the core agenda of the CSR initiative of BKT. BKT intends to sponsor the education of the needy and underprivileged children and students by providing merit-based scholarships. The Company also intends to undertake activities to improve the facilities at the schools, colleges or universities. Providing support to under construction schools, colleges or universities, providing / sponsoring drinking water facility or sanitisation facilities in the schools, colleges or universities assistance in providing training programmes to the teachers, etc.

There have been cases of multiple drop outs from the schools for various reasons. Mid-day meal program acts as an enabler to avoid this drop outs and encourage parents to send their kids to school. Also, Mid-day meal provides healthy and nutritious diet to the kids and thereby improving their health as well. Therefore, the Company intends to endeavor to work in the direction of providing mid-day meal to school going students in India so that the youth in India can live a better future.

Self-Execution of Project or by Partnering with an NGO / Implementation Partner

The CSR Committee deliberated on various options as regards whether the Company should execute the project for promotion of education by itself or should it partner with an NGO. After considering various factors like availability of reliable implementation partner, cost and efforts required for execution of the Project, available expertise to implement the project etc., the CSR Committee decided to go ahead and partner with an NGO / Implementation Partner.

(i) Project Name: Akshaya Patra Bhuj Kitchen

In order to achieve its CSR vision of Promotion of Education and in alignment with its CSR Policy, the Company has identified and decided to partner with The Akshaya Patra Foundation (hereinafter referred to as 'the Foundation') for setting up a centralized kitchen with the capacity to serve approximately 50,000 meals / a day, in Bhuj, Gujarat, which is being used to prepare fresh hot food, for serving to Government school children, under the "Mid-Day Meal Program" run by Akshaya Patra in partnership with the State Government.

iii. Project Name: Mukhtangan Education Trust**What BKT proposes to do for Education?**

Education has been one of the core agenda of the CSR initiative of BKT. BKT intends to sponsor the education of the needy and underprivileged children and students by providing merit-based scholarships. The Company also intends to undertake activities to improve the facilities at the schools, colleges or universities. Providing support to under construction schools, colleges or universities, providing / sponsoring drinking water facility or sanitisation facilities in the schools, colleges or universities assistance in providing training programmes to the teachers, etc.

It has been observed that till date, the quality of education even in best schools is sub-standard and there are limited opportunities for children. Education has been a top priority for various Governments since Independence, but little has changed in terms of quality outcomes for the 'have-nots'. The issue has been the lack of a 'total systems approach' that holistically connects the various components that drive learning in the classroom. Therefore, the Company intends to endeavor to work in the direction of providing quality education in India so that the youth in India can live a better future.

Self-Execution of Project or by Partnering with an NGO / Implementation Partner

The CSR Committee deliberated on various options as regards whether the Company should execute the project for promotion of education by itself or should it partner with an NGO. After considering various factors like availability of reliable implementation partner, cost and efforts required for execution of the Project, available expertise to implement the project etc., the CSR Committee decided to go ahead and partner with an NGO / Implementation Partner.

In order to achieve its CSR vision of Promotion of Education and in alignment with its CSR Policy, the Company has identified and decided to partner with Mukhtangan Education Trust (hereinafter referred to as 'the Foundation') for providing quality, holistic, inclusive education to the students as well as in service teacher education to the teachers and teacher educators of the Sayani Road School, Gokhale Road South MPS, Dadar (West) in the city of Mumbai, Maharashtra.

Why the Company wants to support Mukhtangan Education Trust

Before finalising on Mukhtangan Education Trust as the Implementation Partner, the CSR Committee has carried out a due diligence based on various criterias viz. Identity and Image, Capability and Competence of the Foundation, Management, Transparency, Financial Capability, etc.

The summary of the conclusion drawn from the due diligence of Mukhtangan Education Trust is as under-

- **Identity and Image**

Mukhtangan Education Trust is a registered public charitable trust established in the year 2003 at Mumbai with the purpose to deliver quality education to the underserved communities of Mumbai.

Over the last 19 years Mukhtangan has evolved into a Hub and Spokes model of a Teacher Education Centre and 7 English-medium Mumbai Municipal schools from Preschool to Grade 10, set up and run by us with our unique design, all located in Mumbai's G South ward where they offer child-friendly education to over 3,700 children from underserved communities.

- **Capability and Competence**

In 2003 Mukhtangan started its education initiative by training 7 community women as teachers to teach 25 preschool children from their own community. Since then community members, especially parents, are involved very actively in our program. They enthusiastically participate in all Mukhtangan events, parent-teacher-meetings (PTMs) adding upto 8 to 10 times a year and stand with us as one of our strongest pillars.

Their larger goal has always been to help educational practitioners in schools and teacher education colleges to provide opportunities for all their students to learn more meaningfully, while at the same time we want to help the larger system see that it is the educational practitioners themselves, who can bring about this change. They are expanding the MERC pedagogical resources and learnings to rural and tribal communities through outreach partnerships.

Researchers from local as well as international universities research and advocate their program and its practices.

The Mukhtangan model has been proving to be an opportunity for all our educational practitioners to become, not just school or teacher educators, but rather "field level facilitators" of this larger goal.

- **Management**

Mukhtangan is run by Trustees lead by Sunil Mehta, Elizabeth Mehta, Vijaya Chauhan, Farida Bhathena and Ashok Shah.

It also has a strong advisory board comprising of Sean Sovak, Shalini Randery, Rajan Mehra, Maithili Parekh, Vivek Asrani, Donald Lobo and Rajesh Gupta.

Its executive team is lead by Dymphena Das and Keshav Satose.

- **Transparency**

The management of the Foundation has agreed to provide fund utilisation report as regards the utilisation of the project and also annual report on the said project.

Over the years, GuideStar India has consistently awarded Mukhtangan the Platinum Seal (Champion Level), the highest certification for transparency & public accountability.

- **Financial Capability**

The Foundation has a good track record. It is also registered with the Income-tax Department for eligibility for deduction under section 80G.

Considering the above, the CSR Committee had recommended the Board to support Mukhtangan Education Trust for providing quality, holistic, inclusive education to the students as well as in service teacher education to the teachers and teacher educators of the Sayani Road School, Gokhale Road South MPS, Dadar (West) in the city of Mumbai, Maharashtra.

Track Record of The Akshaya Patra Foundation

- The Foundation is active since last 14 years in the area of providing education.
- Mukhtangan has evolved into a Hub and Spokes model of a Teacher Education Centre (hub) and 7 English medium Municipal schools Pre-School to Grade 10 (spokes) with its unique design, all located in Mumbai's G-South ward where they offer child-friendly education to over 3,700 children from underserved communities.
- To date, Mukhtangan has provided livelihoods and vocational development to 800+ community members (mostly women) who have been trained in our pre-service teacher education center, 600 of whom are employed as teachers and teacher educators in their schools.
- Since all their students and teachers come from the same socio-economic background, they share a deep bonding with each other.
- Collectively, the community model is recognized as the "Mukhtangan Educational and Resource Centre" (MERC).
- Mukhtangan is now actively engaged in teacher education and schooling and is widely recognized for sharing its learnings to government, academic institutions and researchers.
- Through outreach initiatives and partnerships with local and state government, NGOs, academic institutions both local and international, they have reached out to 72,000+ children and 5,000+ teachers and teacher educators across India.

Implementation of Mukhtangan Project by the Company

The Company will make contribution of ₹ 230 lakhs towards the Project to the Foundation to provide quality, holistic, inclusive education to the students as well as in service teacher education to the teachers and teacher educators of the Gokhale Road South Mumbai Public School, Dadar (West) in the city of Mumbai, Maharashtra.

The Company will ensure that the funds are utilized for the furtherance of the stated objective of the Project. The representatives / Directors / employees of the Company apart from receiving progress reports from the Foundation and reviewing the same, may also visit the premises of the Project and inspect the progress of the Project and also to give their suggestions / inputs for betterment of the Project.

Impact Assessment of the Mukhtangan Education Trust

With the current project, for the provision of quality, holistic, inclusive education to the students and in-service teacher education to the teachers and teacher educators. The education will be provided to around 495 students and 68 teacher educator total 563 ranging from pre-school to Grade 10 of Gokhale Road South Mumbai Public School, Dadar (West).

(ii.) **CSR Initiative of the Company For Health Care**

(iv) **Project Name - Dr. Babasaheb Ambedkar Vaidyakiya Pratishthan- Dr. Hedgewar Hospital**

Need for Healthcare in the current scenario

India has made rapid strides in the health sector since independence. However, various eye opening data from National Family Health Survey ('NFHS') clearly indicate that access to healthcare still remains a challenge.

While the health statistics of rural India continue to be poor, the health status and access to health services in urban areas on the other has also surfaced to be equally deplorable. Despite accounting for majority of the country's population, rural areas have very few government primary health care facilities.

The neglect in even the simplest preventive medical treatment usually leads to a more serious ailment and eventually into deaths. The need of the hour is thus a two pronged approach – first to bring quality health care services to doorsteps of the needy and second to promote healthcare awareness and contemporary health care services seeking behavior among the underprivileged.

Considering the above, the Company has decided to focus on healthcare.

What BKT proposes to do for Healthcare?

Healthcare has been one of the core agenda of the CSR initiative of BKT. The Company intends to improve the lives of children and adults and mission to ensure health with dignity to every underprivileged children and adult.

The Company intends to inter alia sponsor the basic healthcare facility which may include providing free medical facilities of the needy and underprivileged population. The Company may sponsor the medical treatment of poor and needy patients by directly paying the medical and other expenses to the Hospitals or other medical institutions. The Company may inter alia also undertake activities to improve

the facilities and infrastructure at the hospitals. For example, sponsoring or improving the pathological lab facilities, improving the room facilities in the hospitals, providing / sponsoring Ambulance Facilities and/ or Blood Banks, maternity centres, eye care centres, operation theatres etc, providing / sponsoring drinking water facility or sanitisation facilities in the hospitals etc. Further, the Company also supports renovation, development of infrastructure facilities at various hospitals.

Dr. Babasaheb Ambedkar Vaidyakiya Pratishthan (BAVP) is an organization run by Professionals Doctors, who have come together to give maximum of themselves to the society. Since 1989, the trust has treated 60,00,000 poor patients.

Dr. Hedgewar Hospital is the nucleus of this Trust. It is providing excellent medical services at affordable cost to the common man. The 10-bed hospital was started in 1989 by Doctors with small borrowings from their families. And then doctors decided to manage their life on subsistent income which set an example. And this is the strongest foundation of this organization.

Dr. Hedgewar Hospital is getting patients from all over Marathwada and Buldhana, Nashik, Ahmednagar and Jalgaon districts. Currently, Hospital is running at full capacity with 280 beds. Lots of patients have to turned down for want of space. There is dire need of special rooms & General ward both. Increase in capacity of hospital beds is also required to get sanction of Medical College which require 430 beds.

To address the above challenge, and to treat more patients including super speciality patients, the Trust has undertaken to build an additional floor (3rd floor) which will host 4 General Wards comprising of 120-beds, OPD for Super Specialists, ICU for Neurology, Multi-purpose hall and additional admin infrastructure.

As a step in the direction, under the instant project, the Company intends to partner with BAVP for expansion of the hospital infrastructure.

Self Execution of Project or by Partnering with an NGO / Implementation Partner

The CSR Committee deliberated on various options as regards whether the Company should execute the project for healthcare by itself or should it partner with an NGO / Implementation Partner. After considering various factors like availability of reliable implementation partner, cost and efforts required for execution of the Project, available expertise to implement the project etc., the CSR Committee decided to go ahead and partner with an Implementation Partner. The thought process behind the subject project is to improve the facilities of existing public hospitals, so that many poor people can benefit and treated.

In order to achieve its CSR vision of Promotion of Healthcare and in CSAlignment with its CSR Policy, as a step, the Company has identified and decided to partner with BAVP for expansion of the hospital infrastructure and building of an additional floor (3rd floor) which will host 4 General Wards comprising of 120-beds, OPD for Super Specialists, ICU for Neurology, Multi-purpose hall and additional admin infrastructure.

Why the Company wants to support BAVP
