

GRIP STAR - Ficha técnica

Description

GRIP STAR es un neumático agro-industrial que se utiliza en las operaciones de carga con elevadores y manipuladores telescópicos. Este neumático garantiza una excelente tracción, así como óptimas propiedades de auto limpieza. Además, se trata de un neumático para todas las estaciones, particularmente idóneo para realizar trabajos en terrenos fangosos. GRIP STAR también está disponible en una versión "special" (especial) que proporciona una particular resistencia a los cortes y los desgarros.
