

LG RIB PLUS - Ficha técnica

Description

LG RIB PLUS es un neumático para césped y jardín adecuado para aplicaciones con cortacéspedes, pequeños tractores y henificadoras.

El dibujo de la banda de rodadura se ha diseñado especialmente para que el neumático sea suave con el suelo y evite daños en el césped, a la vez que facilita la maniobrabilidad.

Gracias al perfil redondo, LG RIB PLUS puede deslizarse y arrastrar fácilmente al girar en el campo.
