

PORTMAX PT 93 - Ficha técnica

Description

PORTMAX PT 93 es el neumático para tractores de terminal y remolques, concretamente fabricado para operaciones de servicio pesadas en las terminales portuarias y en los centros de logística. La banda de rodadura, proyectada con una mezcla especial antiestática, ofrece una particular resistencia al desgaste y al calor incluso en las situaciones más exigentes. PORTMAX PT 93 es el neumático ideal para todas las operaciones que requieran un alto grado de maniobrabilidad, además asegura un grip excelente y una avanzada durabilidad.
