

TECHNICAL SPECIFICATION

Applications Harvester

Description TR 137 is BKT's most suitable tire for all harvesting operations. It ensures high flotation capability along with low soil compaction and excellent traction in the field. The tire is available in different versions: the "aramid-belted" version provides better puncture resistance and protection against all typical damages of this application; the "HD" version is for high load capacity to improve today's farmers' requirements in terms of productivity.
