

**TECHNICAL SPECIFICATION**

Applications                      Trailer / Implement Machinery  
 Description                      ST 180 is a road-oriented tire developed for soil tillage and transport applications with trailers and implement machinery. Its specific tread pattern ensures a long tire life-cycle due to reduced wear and contributes to significant fuel savings.

**Pattern Name                      ST 180**  
 Version                              STANDARD  
 US Code                              94018123  
 Type                                      TL  
 Tire Size                              ST 195/75 D 14  
 PR    6

Dimensions (U/M US Standard)  
 Section Width (in)                      7.6  
 Overall Diameter (in)                      26.3  
 Static Loaded Radius (in)                      12.3  
 Rolling Circumference (in)                      79.3  
 Rim Rec                                      5 J  
 Rim Alt                                      5 1/2 J ; 6 J ; 6 1/2 J
