

## TECHNICAL SPECIFICATION

**Applications** Tractor

**Description** RIDEMAX IT 697 M+S represents the best response to the needs of modern farming contractors during winter operations. This winter tire for tractors ensures perfect grip for all operations on icy and snowy land without the need of snow chains being mounted. Thanks to the tread grooves and the special mix, a tractor can be driven in full stability, comfort and with maximum control at low temperatures even on roads that are both difficult and dangerous due to snow and ice.
