

TECHNICAL SPECIFICATION

Applications ATV
 Description SIERRA MAX has been specially designed for ATVs in mud racing. Its radial construction provides a significantly smoother and more comfortable ride over extreme terrains such as deserts, or dirty and rocky surfaces. The special tread design along with its wider footprint provides outstanding forward and lateral traction. Specific shoulder bars provide best sidewall protection. SIERRA MAX is made of a particularly cut-and-chip-resistant compound and has excellent self-cleaning features.

Pattern Name SIERRA MAX

Version STANDARD
 US Code 94052332
 Type TL
 Tire Size AT 26 X 11 R 14
