

## TECHNICAL SPECIFICATION

**Applications**                    ATV

**Description**                    AT 171 is suitable for on-and-off-the-road applications with ATV vehicles. The special directional and extra-deep tread design provides excellent traction on wet and muddy surfaces. AT 171 comes up with optimum self-cleaning properties along with extraordinary cut and chip resistance. The strong casing ensures extra durability and a long service life.

**Pattern Name**                **AT 171**

Version                         STANDARD

US Code                        94056873

Type                             TL

Tire Size                        AT 30 X 9 - 14

LI/SS                          77 A8 / 53 F

PR                                6

TMPH                            1

**Dimensions (U/M US Standard)**

Section Width (in)            8.3

Overall Diameter (in)        29.7

Rim Rec                         W 7

Rim Alt                         W 6
