

## TECHNICAL SPECIFICATION

**Applications**                      Articulated Dump Truck (ADT)

**Description**                      Earthmax SR 35 is a low-profile All Steel radial tire specially designed for articulated dump trucks. It is ideal for operations requiring exceptional traction and flotation. Earthmax SR 35 provides both excellent traction and stability. Thanks to its strong steel-belted casing, it ensures extraordinary durability and resistance to snags and punctures. The tire is available as cut-resistant compound for a maximum service life even under severe conditions.

**Pattern Name**                    **EARTHMAX SR 35**

**Version**                              CUT RESISTANT COMPOUND

**US Code**                            94058624

**Type**                                 TL

**Tire Size**                          650/65 R 25

**LI/SS**                                193 A2

**Dimensions (U/M US Standard)**

**Overall Diameter (in)**            59.0

**Static Loaded Radius (in)**        26.3

**Rolling Circumference (in)**    176.9

**Rim Rec**                              19.50/2.5

**Star Rating**                         \*
