

LG RIB PLUS - Fiche de données

Description

Le LG RIB PLUS est un pneu pour pelouse et jardin qui convient aux tondeuses, aux petits tracteurs et aux faneuses.

Sa bande de roulement a été spécialement conçue pour que le pneu roule doucement sur le sol, ce qui évite d'endommager le gazon, tout en facilitant la manipulation.

Le profil rond permet au LG RIB PLUS de prendre en douceur les virages sur le terrain.
