

## AT 625 - Data Sheet

### Description

The AT 625 tire is designed for backhoe loaders and compact loaders, excelling in all farming, digging, and loading operations. It's also an ideal choice for sugarcane harvesting, offering the reliability needed to keep you productive throughout the season. With its extra deep tread, the AT 625 ensures increased puncture resistance and durability, allowing you to tackle tough conditions with confidence. This tire delivers outstanding traction and stability, combined with enhanced cut and chip resistance, making it a durable and dependable partner for your agricultural tasks.
