

## EARTHMAX SR LOADER - Data Sheet

### Description

EARTHMAX SR LOADER is an OTR tire designed for loading and dozing operations as well as for Articulated dump truck application. Its All Steel casing along with multi-layer steel belts and a unique tread compound provide exceptional resistance to snags and punctures resulting in an extended service life. EARTHMAX SR LOADER features a unique tread pattern providing top self-cleaning properties and excellent traction on several types of terrain.
