

## LG SMOOTH - Especificações técnicas

### Description

LG SMOOTH é um pneu para prados e jardinagem, apropriado para máquinas de cortar relva. Enquanto o pneu é delicado no terreno, o desenho avançado assegura um aumento da duração e facilita o manuseamento e as manobras. LG SMOOTH está disponível numa versão "aramid belted", com cintos em aramida, para utilizadores que exigem uma maior resistência à perfuração.

### UM

International Standard

### Construction

 BIAS

### Machinery

Agricultura: Máquina de cortar relva • Trator pequeno

|           |                 |
|-----------|-----------------|
| Version   | ARAMID BELTED   |
