

MUD POWER HD - Especificações técnicas

Description

MUD POWER HD foi concebido especificadamente para minicarregadoras. O desenho profundo do piso do pneu, para além da disposição especial das barras do pneu, assegura uma excelente tração em terreno molhado e macio. MUD POWER HD foi realizado com um composto de borracha industrial especial e é caracterizado por uma carcaça robusta em nylon que garantem um ciclo de vida mais prolongado também em condições severas.
