

AS 511 - Ladda ned faktablad

Description

AS 511 är bäst lämpat för användning på gräsmark med arbetsfordon. Det robusta däckhöljet och den speciella gummiblandningen med skärmotstånd säkerställer stabilitet utöver det vanliga – samt förhöjd prestanda. Tack vare den stora kontaktytan ger AS 511 utmärkt dragförmåga och minimerar jordpackning.
