

HARVESTER SPECIAL - Ladda ned faktablad

Description

HARVESTER SPECIAL är särskilt konstruerat för skördemaskiner. De dubbla, vinklade däckklackarna ger utmärkt dragförmåga på åkern och bekväm körning på väg. Den speciella mönsterdesignen skapar en stor kontaktyta för överlägsen stabilitet. HARVESTER SPECIAL har ett starkt däckhölje och gummiblandningen ger extra motståndskraft mot skärande underlag och punkteringar för att garantera längre livslängd.
