### Description

POWER TRAX är ett premiumdäck speciellt designat för tunga applikationer på hamntrailer, tomcontainerhanterare eller ECH och underjordiska gruvmaskiner. Dess djupa slitbana och tjocka sidovägg ger exceptionell hållbarhet, vilket minimerar risken för punkteringar och oavsiktlig skada. POWER TRAX är det idealiska däck för hårda och tuffa arbetsmoment, tack vare den unika slitbaneblandningen som ger utmärkt motståndskraft mot skär- och skrapskador.
