

SKID MAX SR-SKIDDER - Data Sheet

Description

SKIDMAX SR SKIDDER is the new BKT All Steel radial tire specially developed for use in very heavy work environments on hard improved surfaces like road maintenance and waste dump with skid steers, backhoe loaders and telehandlers. Thanks to the strong steel casing and belt construction, this tire provides superior durability and high load carrying capacity.

The robust and wide tread pattern designed with continuous center rib, together with an extremely abrasion resistant and antistatic tread compound, ensures excellent traction and long wear life. The extra thick sidewall and the tough casing provide also exceptional durability minimizing the risk of punctures and accidental damages thereby reducing machine downtime.

The specially designed rim guard guarantees protection against flats and wheel damage in the rim flange area. Do not forget that SKID SKIDMAX SR SKIDDER provides also excellent comfort and stability during your daily work.
