

MULTIMAX MP 538 - Data Sheet

Description

MULTIMAX MP 538 is a radial multipurpose tire specifically designed for several applications and machineries: graders and loaders operating in winter conditions, as well as telehandlers, universal vehicles and sweepers in road maintenance.

Thanks to the strong steel-belted casing, MULTIMAX MP 538 allows to carry heavy loads even at high speeds. In addition, its unique tread design helps maintaining excellent traction on ice and snow.
